RIVE - International Vinery And Enology Show

Bilateral Meetings

- Wednesday 13:00 - 17:00

Description

RIVE - the biennial International Show dedicated to wine-growing and oenology, wich takes place in the exhibition centre of Pordenone Fiere (Italy) from 27th to 29th November 2018. From vine to wine, the fair showcases the best technologies, products and techniques for viticulture as well as grape treatment and wine making. The event has a vertical approach, from the vine all the waz up to the wine, presenting the best techniques for viticulture and for grape treatment form field to cellar.
