FEDERUNACOMA

<http://www.federunacoma.it>

## **Bilateral Meetings**

- Wednesday 13:00 - 17:00

### **Description**

FederUnacoma provides the member companies of each association with the services they need to improve company operations and achieve sustainable business development. Studies and statistics, technical standards, internationalisation, exhibition events, communication, training and sector representation are among the basic activities conducted by the federation, which has an articulated and efficient structure with offices in Rome, Bologna and Brussels.
