- Wednesday 13:00 - 17:00

Description

D.o.o. AGROART from Stara Pazova, 52 Karadordjeva street is a company involved in production of agricultural machines and spare parts for all agricultural machines on the area of former yugoslav countries. AGROART originated from a trade store, opened in 1983. AGROART is the leader of selling spare parts of connecting machines for tractors in Serbia. It has got a network of 160 machinery dealers. One of our successes is the gold medal in Novi Sad fair for tractor sprinkler in 2010. Sure of our success in production of sprinklers, and by receiving a gold medal, AGROART gives a 3-year warranty for this product.
