The Serbian Federation of Beekeeping Organizations

<http://spos.info/>

### Bilateral Meetings

- Wednesday 13:00 - 17:00

#### Description

The Serbian Federation of Beekeeping Organisations is focused on achieving and upgrading joint interests in the field of development and protection of beekeeping. We are providing professional, scientific education and specialisation for our members. We are engaged in widening of production and circulation of beekeeping products, equipment, tools, intermediate goods and medicaments.
